

Criteria Definitions for I-405 General Engineering Services

Scoring Criteria 1: Qualifications/Expertise of Firms on Team

Min pts 0 : Max pts 35

- 1.1 Provide a listing of all firms on your proposed team;
- 1.2 Describe how the individual firms teaming together have worked together before. Provide the name of the project(s), each firm's role on the project, and the dates the services were performed;
- 1.3 To quickly respond to project needs, schedule requirements, and funding availability, describe the team's ability to readily provide staffing and resources. Include a listing of each team member's offices and the number of employees within the state of Washington (specifically the Puget Sound area) and nationwide;
- 1.4 For each firm on your proposed team, provide the types of expertise necessary for this project that is available at each location, how long has each firm on your team provided these type(s) of expertise, and describe how these resources may quickly be made available. Provide an organization chart of your proposed team and include the respective roles that each firm will provide for the team; and
- 1.5 Demonstrate using relevant project examples* how your proposed team can provide the "*Key Qualifications*" as described in the RFQ to successfully deliver this project.

Scoring Criteria 2: Proposed Project Manager Qualifications

Min pts 0 : Max pts 15

- 2.1 Demonstrate using relevant project examples* how your proposed Project Manager meets the "*Key Qualifications*" as described in the RFQ to successfully lead and manage this project;
- 2.2 Describe, using examples, how this proposed Project Manager has lead the development and implementation of project delivery strategies, organization and methods to deliver a major project;
- 2.3 Provide the professional licenses/accreditations for the proposed Project Manager; include the year that the license/accreditation was received; and
- 2.4 Provide the proposed Project Manager's availability to the project.

Scoring Criteria 3: Proposed Key Managers Qualifications

Min pts 0 : Max pts 15

- 3.1 Demonstrate using project examples* how your proposed Key Managers meet the “*Key Qualifications*” as described in the RFQ to successfully manage their responsible portions of this project;
- 3.2 Provide the relevant professional licenses/accreditations for the proposed Key Managers; include the year that the license/accreditation was received;
- 3.3 Technical, project, policy, and processes expertise relevant to this project to successfully function in positions;
- 3.4 Ability to represent WSDOT; and
- 3.5 Given the current project funding and the anticipated funding, the availability of Key Managers should be flexible to meet the needs of the program and funding environment. It is anticipated that the Key Managers may initially work on the project part-time, becoming full-time as position needs and funding dictate. Describe your Proposed Key Managers’ roles/responsibilities and availability to the project.

Scoring Criteria 4: Team’s Demonstrated Ability to Supplement Agency Workforce with Technical Support Personnel

Min pts 0 : Max pts 15

- 4.1 Demonstrate using project examples* how the team has sufficient experienced staff to supplement agency workforce with technical support personnel;
- 4.2 Include technical, project, policy, and process expertise to create an integrated I-405 team and to successfully function in positions typically filled by WSDOT staff. Expertise includes knowledge and coverage of all disciplines typical to State transportation design projects and construction administration for those projects. Demonstrate the ability to manage, review, and evaluate the work of others as an owner representative, including other consultants and design-build contractors, as well as the ability to create original work products.

Scoring Criteria 5: Team’s Demonstrated Ability and Capacity to Supply a Preliminary Design Workforce

Min pts 0 : Max pts 20

- 5.1 Demonstrate using project examples* your preliminary design workforce’s experience with complex urban projects; and

- 5.2 Demonstrate your team's capacity to provide a preliminary design workforce for the corridor level preliminary design effort (0 to 5% - included in this agreement) and for one or all corridor segments preliminary design effort (0 to 30% - optional to this agreement); AND/OR
- 5.3 Demonstrate the ability to manage, review, and evaluate the work of preliminary design on-call consultants as an owner representative.

* When using project examples, please include the work/services provided on the project(s), dates of service on project(s), the approximate consultant fee for those services, approximate total cost for each project; contact name and phone number; and the name of the project manager on project(s). This information will be used for reference checks.
